EXPERIENCE

Walgreens, Phoenix AZ — *Customer Service Associate*

September 2015 – January 2017

Worked as a cashier operating with customers and employees, it was a must to communicate verbally from department to department.

Safeway, Phoenix AZ — *Courtesy clerk*

March 2017 – June 2017

I worked on floor cleaning and stocking and cashier duty within a team of seven. Organizational skills were learned to keep a balanced team. Communicating to switch off stations or to rotate on jobs.

EDUCATION

Arizona State University, Tempe AZ — *Bachelor of Science*

August 2017 – May 2021

Currently pursuing a Bachelor of Science in Computer Science

PROJECTS

[Book search](https://github.com/hgonz16/book-search) – (<https://github.com/hgonz16/book-search>)

Built a JavaScript search function, requesting data from a semi-public API, and returning that data corresponding to the user input.

[File reader](https://github.com/hgonz16/file-reader) – (<https://github.com/hgonz16/file-reader>)

Developed a Javascript function that reads a file as a string which then outputs the text from the file into the page.

[Weather App](https://github.com/hgonz16/weather) – (<https://github.com/hgonz16/weather>)

Designed a web app with Skycons API, that fetches the current temperature of your city in Fahrenheit/Celsius.

[To-Do App](https://github.com/hgonz16/todo-app) – (<https://github.com/hgonz16/todo-app>)

Todo is an app that allows a user to create a list of things to complete. The user has the option to delete or to mark them.
